SHOWCASE PROGRAM Please note the order of the full program schedule on the back of this form.

Doors open at 12:45 p.m. Please do not come earlier as we need time to set up. Please follow these simple guidelines to help us make this a relaxed and enjoyable day:

BACKSTAGE PROCEDURES: Students should come dressed in costume and make-up. Toddler and Preschool students should come at 12:45 pm and all other students should be backstage 15 minutes before their Showcase time. One parent should bring child backstage (to the auditorium stage hallway) to their Parent Chaperone, who will be identified by Name Tag- class day/time/teacher/song. Parent can then take a seat in the audience and watch the Showcase. Your child will dance in the order of the program shown on back of this notice. All children will come back on stage for final bows at the end of the showcase. When your child's showcase is over, one parent should come backstage to pick-up your child from your Parent Chaperone, or teacher. You may then leave, or stay and watch the other showcases if you wish. For our children's safety, **no** unauthorized person will be allowed backstage for any reason. Students in more than one dance will change in the cafeteria. Videotaping is fine, but please do not approach the stage, or stand in front of viewers. No flash or camera lights allowed.

TICKETS: Tickets are \$9.00 each general admission. They can be purchased at the CJ front desk beginning Saturday May 3rd, or they can be purchased at the door beginning at 12:45 pm on the day of Showcase. Your admission is good for the full day.
