

CENTRAL JERSEY DANCE & GYMNASTICS named a USAIGC SAFE SCHOOL

Dear CJD&G Parents,

Central Jersey Dance and Gymnastics is a proud member of the **United States Association of Independent Gymnastic Clubs (USAIGC)**. The USAIGC has mandated its Membership Clubs to conduct a mandatory 100% Employee Background checks on all employees 18 years and older and the Club Owners.

Central Jersey Dance and Gym has **completed** our 100% Employee Background Check and have verified this with a legal signed notarized document to the USAIGC President Paul Spadaro. We will continue to do so as new employees are hired.

Central Jersey has received the **USAIGC 100% SAFE CLUB DECAL**, which we will proudly post at our facility. The USAIGC 100% Employee Background check is now a standard operating procedure for ALL Membership Clubs as part of our Pre-Employment Screening Process. The USAIGC and its Membership Clubs believe conducting an Employee Background Check on employee population is performing our due diligence in providing the safest environment possible for our student population and employees.

Central Jersey Dance and Gymnastics wants our Parents to know that **Child Safety begins at our door** and we have created the safest environment possible for your children. Thank you for being part of our Central Jersey Dance & Gym Family.

Yours truly
Rena and Jay Fleischman and Gail Brescher
CJD&G Owners
